Text: Nehemiah 2:1-20

Dr. Stephen Burrell

- Any great work requires others to come alongside and help, both in servicing and funding.
 - Passion with no plan goes nowhere.
 - A plan presented at the wrong time goes nowhere.
 - Plan with no prayer has no power.
 - Prayer with no plan has no form.
 - When casting vision – facts inform, emotion inspires.
 - He's thought through the challenge. He knows the obstacles.
 - No vision is implemented without opposition.
 - Expect opposition to any vision that helps people.
 - Open mocking – making fun of the vision.
 - They preyed on the people's fear.
 - The mocking is designed to...
 - Mar the intent of the leader.
 - Discourage the worker by inferring an incorrect motive
 - We are not focused on you. – We are focused on the work.
